Details on hosting a blood drive.

“My childhood was interrupted
by cancer for six long, extremely
emotional years. I can say
I knew I wasn't alone thanks
to my generous blood donors.”

— JAZIEL R.

Every 2 seconds, someone in
the U.S. needs blood. This
constant need for blood can only
be met by generous volunteers
in our community. Each
donation could save the life of
a cancer patient or someone
needing open-heart surgery.
