SAVE THE DATE

Our District **Rotary Foundation Celebration Event is May 13, 2021, 5:30 pm** on Zoom. Our special guest and keynote speaker is **Trustee and Past RI President Ian Riseley**. He will be speaking on Our Rotary Foundation and our newest Area of Focus, the Environment, and helping honor our generous donors throughout the District.

Join us for a fun evening with entertainment, heart-touching stories and live Q & A with Past RI President Ian.

There is no cost for the event but registration is required on the District website or here.

ENVIRONMENT

Our new **7th Area of Focus is the Environment**. Join us on May 13th to hear all about it. In the meantime, check out projects from around the world.

The Environmental Sustainability Rotary Action Group is sponsoring a video contest of projects – so many great ideas! Videos are 70-100 seconds long and are uploaded to the website. Enjoy scrolling through. Consider sharing your own project. Contest ends May 31st and President Holger will be announcing the top 7 winners on June 5, World Environment Day.

Click here to hear President Holger's short message and view the videos.
