HOW TO PLAY

All players start from the first hole and play according to the rules of regular golf. A player with the highest score after the first round is eliminated, the remaining players proceed to the second hole. A player with the lowest score always starts the next round. If there are any ties, a tiebreak is decided with the closest-to-the-hole rule or by the putting contest.

The game is played with this elimination system until there are only two players left at the final hole. The winner(s) of the game are the players who puts the ball into the 9th hole (1 Man & 1 Woman).
